

PEDIGREE

Pedigree chart template showing four generations of a dog's lineage, starting from a single line on the left and branching out to the right.

The chart is structured as follows:

- Generation 1 (Leftmost): A single horizontal line.
- Generation 2: A horizontal line branching from the first line into two lines.
- Generation 3: A horizontal line branching from the second line into two lines.
- Generation 4 (Rightmost): A horizontal line branching from the third line into two lines.

The chart is designed to be filled out with the dog's pedigree information.
